CALL TUNING AND REPAIR FORM

All Buck Gardner Calls include **FREE** lifetime re-tuning and repair services. Please complete all fields on this form, print a copy of the form, and include it in the package when you return your call to us. Basic re-tuning, cleaning, and refurbishing services are free - you pay only for return shipping as noted below. Engraving services are available upon request for an additional fee. Thanks for allowing us to keep your trusted game calls at peak performance.
