Price: \$3.00

Triple Loop Lanyard
* Calls not included

Short Description

Securely carry your favorite call by two attachment points (barrel and insert), plus a secondary call such as a whistle. Can also be used to carry three calls.

Description

The Triple Loop Lanyard is made of durable, weather-resistant braided nylon with a stainless steel spring to secure and transport your calls. It is designed to securely hold one call at two attachment points (barrel and insert) to prevent lost inserts, plus a secondary call such as a whistle. The Triple Loop Lanyard can also be used to carry three calls with a single attachment point.
